

Experience Certificate

Date: October 15, 2018.

To whom it may concern

This is to certify that Mr. Robert James Burrus was employed with our Company (Mayasem International Co. Ltd in Jeddah-KSA) from June 2015 to May 2016 as a Chief of Operations.

During the time of his work for us, we find him to be hard working, efficient, self-motivated, duty bound and committed team member; it was sad to see him leaving due to family circumstances.

We at (Mayasem) wish him all success in his future endeavors.

Sincerely,

Chairman of the Board

Hussein AlAmoudi
